Celebrating 25 years and counting!

A not-for-profit 501c7.

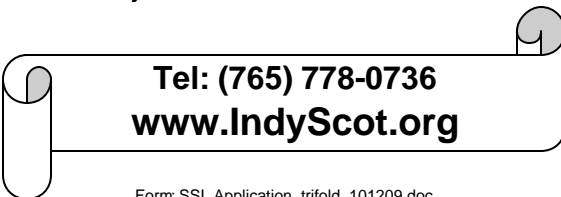

The wail of the pipes, the swing of the kilt, and the jubilant dance over crossed swords – if these stir your soul, fill your heart with pride, or just arouse your curiosity, the Scottish Society of Indianapolis is here for you!

Scottish ancestry is NOT required. All you need is a genuine interest in Scottish history and culture.

We are families, singles, working folks, retirees, students, historians, re-enactors, and more.

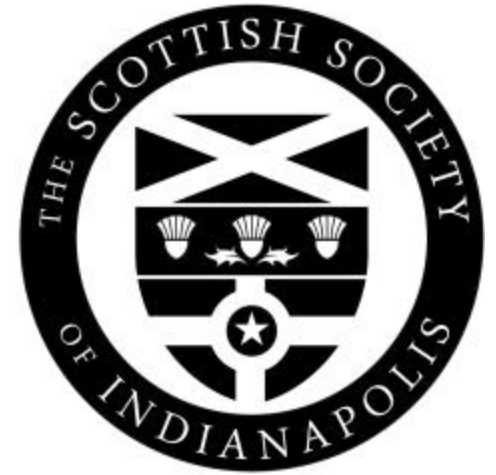

Each month, we gather for socializing, a pitch-in dinner, and a presentation on a Scottish topic.

Please, join us!
